

Forever Bricks at Covered Bridge Park

Sponsor a brick for you, your family,
or a loved one at Covered Bridge Park!

Over the years, many area families have enjoyed Covered Bridge Park as part of the Covered Bridge Day Camp, competing in the Duck Derby, Fireworks on Covered Bridge Day, or just enjoying the picnic grove and playground.

Now is your opportunity to give back with a Forever Brick at Covered Bridge Park.

For just \$120 you can have a personalized, engraved brick set into the walkway from the Train Station replica building to the playground. All proceeds will benefit additional playground equipment for all families to enjoy. The Forever Bricks campaign is running continuously beginning from October 2022.
